

## Apprenticeship Programme

**Do you want to learn whilst you work?**

**Do you want a career with young children?**

**The Howard Nursery can support you to realise your dream**

We offer an Apprenticeship Programme to kick start your career. You can train and gain a nationally recognised qualification whilst you work. Working alongside members of our professional team, you will learn new skills, gain experience and have dedicated time for your studies whilst at work. We provide all the support you need to become qualified in children's development / Early Years Educator. You will work towards your Level 2 or Level 3 Award through our highly successful training provider N&B.

On successful completion of your apprenticeship you will have the opportunity to further your studies through our continuing professional development programme along with access to employment opportunities with our partner schools

## Recruitment Open Day

**20th March 2019 from 8am to 5pm**

Drop in to see the nursery in action & discuss your options with our friendly team.

The Howard Nursery  
Howard of Effingham School, Lower Road, Effingham, KT24 5JR
